

STEPS FOR LIVESTOCK EXHIBITORS AT THE FAIR

5 STEPS TO EXHIBITING:

ENROLL IN 4-H / FFA

Must be a member of a Montgomery County 4-H Club and registered in the appropriate 4-H project or Montgomery, Hermann or Wellsville FFA's; starting at age 8 and their final chance to show will be the summer immediately following their senior year in high school.

BE IN GOOD STANDING

All exhibitors must be a member in good standing of a qualified club / chapter in the current year fair year (Oct 1, 2025 - Sept 30, 2026). They must be enrolled in the project they are exhibiting by January 1, 2026. Good standing qualification must be maintained the entire time period. General Montgomery County 4-H Rules, Club Specific 4-H Rules, FFA Rules all apply as well as fair rules.

SPRING WEIGH-IN & ANIMAL ENTRY

- All large animals (Steer, Hog, Goat, Lamb) must attend the spring weigh-in to be ID'd and weighed. Each exhibitor must pre-fill out the information form provided by 4-H / FFA to turn in prior to tagging/weighing that morning. Exhibitors MUST submit their animal information (Animal entry) on FairEntry by May 15th in order for that animal to be eligible to show. Instructions will be provided.
- All small animals (Rabbits & Poultry) must attend the pre-fair tattoo/banding night. You may pre-tattoo/band the animals but proof of those numbers must be brought to tattoo/banding night.
- Exhibitor is HIGHLY encouraged to attend, however someone else may weigh-in the animal(s) if necessary.

REGISTER FOR FAIR - JUNE 1 - JUNE 30

Register for Fair on the FairEntry website - Information for this will be posted in the MoCoFair Livestock group on Facebook.

- Registration will open June 1 at 6 AM.
- All entries must be registered online with all fees paid by June 30th at 11:59 PM.

This is a SEPARATE registration procedure from the Animal Entry that was done in the Spring.

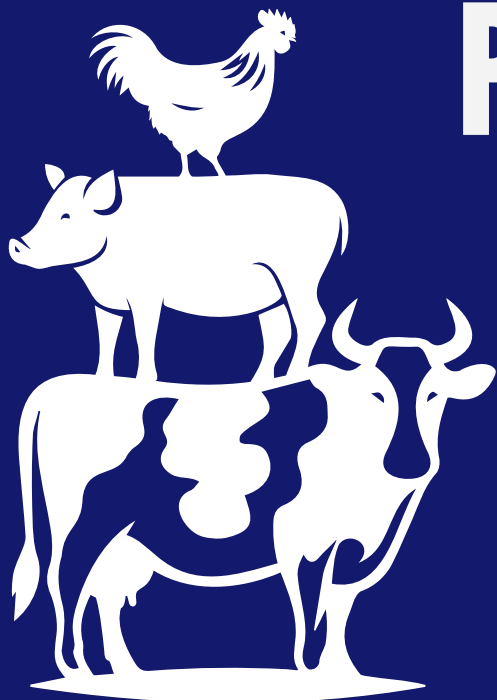

FAIR WEIGH-IN

Fair weigh-in is Monday of fair week. A schedule will be posted on the MoCoFair Livestock group on facebook as soon as its available. All large animals must be checked for CVI paperwork or have CVI performed by vet on site prior to unloading. Small animals may be put in cage (no oversight provided) at any time Monday prior to 4:00pm. There will be a 4:00pm mandatory meeting for all exhibitors, followed by weigh-in in of all animals. Exhibitor must be present for meeting and weigh-in.

OTHER IMPORTANT NOTES:

- SMQA qualification - All exhibitors must be SMQA certified at the appropriate level.
- Must follow all other rules listed on pages 43-51
- The fair reserves the right to refuse any registration

Livestock Health Regulations

Interpretations, Amendments, and Violations

The Montgomery County Fair Association holds the ultimate authority to interpret these rules and regulations, as well as to resolve any matters, questions, or disputes related to the fair. Management also retains the right to modify or add to these rules, without prior notice, as it sees fit. Any individual who breaches any of the aforementioned or specific rules will forfeit all privileges and premiums.

Missouri Department of Agriculture Exhibition Rules and Requirements as of 3/27/2026. Please see <https://agriculture.mo.gov/animals/rules.php> for updated rules and regulations prior to exhibiting at the Montgomery County Fair.

Exhibition Requirements for Cattle in Missouri

1. General Requirements:
 - a. Certificate of Veterinary Inspection (CVI)—The term Certificate of Veterinary Inspection means a legible record made on an official form of the state of origin, issued by an accredited licensed veterinarian. The official Certificate of Veterinary Inspection shall state that the animal(s) are free of visible signs of contagious, infectious, or communicable disease and describe the animal(s) by species, breed, sex, and age. All animals will be individually identified and listed on the CVI along with all data for required tests and vaccinations, including date, results, and the name of the laboratory performing the test.
 - b. The Certificate of Veterinary Inspection is valid for thirty (30) days from the date of inspection.
 - c. The following are valid forms of official ID: 840 RFID/EID tags, or a registration tattoo if purebred and with proof of registration accompanying the animal.
 - d. Animals with active lesions of ringworm with resulting loss of hair, or warts easily visible without close examination will not be permitted to exhibit and shall be subject to isolation or expulsion depending upon the nature and seriousness of the disease.
 - e. Sales scheduled in association with exhibitions must employ an accredited veterinarian to examine animals and process a Certificate of Veterinary Inspection for change of ownership when required.
2. Intrastate (cattle in Missouri moving within Missouri for exhibition only).
 - a. A CVI is required.
 - b. All animals must be individually identified by an official ear tag as defined by official identification, or registration tattoo if purebred and with registration papers, or any other means approved by the state veterinarian, be individually listed on a CVI, and be free of clinical signs of infectious or contagious disease.
 - c. Brucellosis—no test is required.
 - d. Tuberculosis—no test is required.
3. Interstate (cattle from another state entering Missouri for exhibition only).
 - a. A CVI is required.
 - b. All animals must be individually identified by an official ear tag as defined by official identification, or registration tattoo if purebred and with registration papers, or any other means approved by the state veterinarian, be individually listed on a CVI, and be free of clinical signs of infectious or contagious disease.
 - c. Brucellosis.
 - i. Cattle from brucellosis-free states. No brucellosis test or entry permit is required.
 - ii. Cattle from brucellosis Class A states.
 1. Test-eligible animals include all sexually intact animals eighteen (18) months of age and over.
 2. All test-eligible cattle must be tested and negative within thirty (30) days prior to entry except—
 - a. Cattle from a certified brucellosis-free herd. The certified herd number and the date of the last test must be listed on the CVI.
 - b. Steers. No brucellosis test required but must be individually identified and listed on a CVI.
 - c. Rodeo bulls from a Class A state must have a negative brucellosis test within twelve (12) months prior to exhibition.
 - iii. Tuberculosis
 1. Beef cattle—All classes of beef cattle (including exotic bovids and bison), two (2) months of age and older, entering Missouri for exhibition must meet the following requirements:
 - a. All classes of beef cattle entering Missouri for exhibition from a state having a tuberculosis-free status may enter without additional testing requirements or entry permit.
 - b. All classes of beef cattle, six (6) months of age and older, entering Missouri for exhibition from a state having a tuberculosis status less than free must meet the following requirements: • Must obtain an entry permit; • Must have a negative tuberculosis test within sixty (60) days of shipment, test date must be listed on the CVI; or • Move from an accredited tuberculosis-free herd (herd test date must be listed on the CVI); or • Move directly from a herd of origin that has had one (1) complete negative herd test within one (1) year (date of test must be listed on the CVI).

Exhibition Requirements for Swine in Missouri

1. General Requirements
 - a. Certificate of Veterinary Inspection (CVI) - See cattle section for definition.
 - b. The Certificate of Veterinary Inspection is valid for thirty (30) days from the date of inspection.
 - c. The following are valid forms of official ID: 840 RFID/EID tags, 8 or 9 character NUES tags, ear notch or a registration tattoo if purebred and with proof of registration accompanying the animal.
 - d. Sales scheduled in association with exhibitions must employ an accredited veterinarian to examine animals and process a Certificate of Veterinary Inspection for change of ownership when required.
2. INTRASTATE (swine in Missouri moving for exhibition only in Missouri)
 - a. A CVI is required.
 - b. All swine must be individually identified by official ear tag as defined by official identification, or ear notch or tattoo if purebred and with registration papers, or any other means of permanent identification approved by the state veterinarian, be individually listed on a CVI, and be free of clinical signs of infectious or contagious disease.
 - c. Brucellosis. No test is required.
 - d. Pseudorabies. No test is required.
3. Interstate (swine from another state entering Missouri for exhibition only).
 - a. A CVI is required.
 - b. All swine must be individually identified by official ear tag as defined by official identification, or ear notch or tattoo if purebred and with registration papers, or any other means of permanent identification approved by the state veterinarian, be individually listed on a CVI, and be free of clinical signs of infectious or contagious disease.
 - c. An entry permit is required.
 - d. Brucellosis.
 - i. Swine originating from brucellosis-free states may exhibit without a brucellosis test.
 - ii. Swine originating from a state having a brucellosis status less than free must be tested negative within sixty (60) days prior to exhibition except— 1. Breeding swine from a validated brucellosis-free herd. The validated herd number and date of last validating test must be listed on the CVI.
 - e. Pseudorabies.
 - i. Swine originating from a state classified as Stage V in the National Pseudorabies (PRV) Eradication Plan may exhibit without a pseudorabies test.
 - ii. All other swine must be tested negative within sixty (60) days prior to exhibition except— 1. Swine from a qualified pseudorabies-free herd. The qualified herd number and date of the last qualifying test.

Livestock Health Regulations, Continued

Exhibition Requirements for Lamb/Sheep in Missouri

1. General Requirements:
 - a. The Certificate of Veterinary Inspection is valid for thirty (30) days from the date of inspection.
 - b. Animals with active lesions of ringworm with resulting loss of hair, or warts easily visible without close examination will not be permitted to exhibit and shall be subject to isolation or expulsion depending upon the nature and seriousness of the disease.
 - c. Sales scheduled in association with exhibitions must employ an accredited veterinarian to examine animals and process a Certificate of Veterinary Inspection for change of ownership when required.
2. Intrastate (Missouri origin sheep, including exotic sheep and antelope, moving for exhibition).
 - a. All sheep (including exotic sheep and antelope), regardless of age or sex, must be free of clinical signs of an infectious or contagious disease.
 - b. All sheep (including exotic sheep and antelope), regardless of age or sex, must be individually identified by an official scrapie identification as defined by official identification, or any other means of permanent identification approved by the state veterinarian identifying them to the flock of origin and be listed on a CVI.
 - c. No tests are required.
- d. Scabies.
 - i. Sheep from a scabies quarantined area must be dipped or treated by an officially approved method within ten (10) days prior to exhibition.
 - ii. Interstate (Sheep, including exotic sheep and antelope, entering Missouri for exhibition only).
 - a. All sheep (including exotic sheep and antelope), regardless of age or sex, must be free of clinical signs of an infectious or contagious disease.
 - b. All sheep (including exotic sheep and antelope), regardless of age or sex, must be individually identified by an official scrapie identification as defined by official identification or any other means of permanent identification approved by the state veterinarian identifying them to the flock of origin and be listed on a CVI.
 - iii. All rams six (6) months of age and older must have a negative Brucella ovis test within thirty (30) days of shipment (test date, results, and name of approved laboratory must be listed on the CVI), or i. Move from a certified Brucella ovis free flock (must be accompanied by the certificate number and date of last test).
- iv. Scabies.
 1. Sheep (including exotic sheep and antelope) from a scabies quarantined area must be dipped or treated by an officially approved method within ten (10) days prior to exhibition.
 2. A permit number must be obtained and recorded on a CVI if the sheep (including exotic sheep and antelope) are from a scabies quarantined area.

Exhibition Requirements for Goats in Missouri

1. General Requirements:
 - a. The Certificate of Veterinary Inspection is valid for thirty (30) days from the date of inspection.
 - b. Animals with active lesions of ringworm with resulting loss of hair, or warts easily visible without close examination will not be permitted to exhibit and shall be subject to isolation or expulsion depending upon the nature and seriousness of the disease.
 - c. Sales scheduled in association with exhibitions must employ an accredited veterinarian to examine animals and process a Certificate of Veterinary Inspection for change of ownership when required.
2. Intrastate and Interstate (goats in Missouri moving within Missouri for exhibition only, and goats from another state entering Missouri for exhibition only).
 - a. A Certificate of Veterinary Inspection is required.
 - b. All goats, regardless of age or gender, must be individually identified by an official scrapie ear tag or any other means of permanent identification approved by the state veterinarian and listed on a Certificate of Veterinary Inspection.
 - c. All goats must be free of clinical signs of an infectious or contagious disease.
 - d. No tests required.

Exhibition Requirements for Poultry in Missouri

- a. Intrastate (poultry in Missouri moving within Missouri for exhibition only).
 - i. No Certificate of Veterinary Inspection is required.
 - ii. All poultry and waterfowl to be exhibited must be free of clinical signs of any infectious or contagious disease.
 - iii. Pullorum-Typhoid test. All poultry (except Missouri origin waterfowl) exhibited shall be tested negative for pullorum-typhoid within ninety (90) days prior to exhibition, or originate from a flock approved by the National Poultry Improvement Plan (NPIP), or an equivalent program, which has been tested within the past twelve (12) months with no change of ownership. This information shall be documented on a VS Form 9-2 (see 2 CSR 30-8.020) or similar certificate which shall accompany the poultry to the exhibition and shall be made available on request.
- b. Interstate (poultry entering Missouri for exhibition only).
 - i. A Certificate of Veterinary Inspection, VS Form 9-2 or similar certificate is required.
 - ii. An entry permit is required.
 - iii. All poultry and waterfowl to be exhibited must be free of clinical signs of any infectious or contagious disease.
 - iv. Pullorum-typhoid test. All poultry exhibited shall be tested negative for pullorum-typhoid within ninety (90) days prior to exhibition or originate from a flock approved by the National Poultry Improvement Plan (NPIP) or an equivalent program in which the flock has been tested within the past twelve (12) months with no change of ownership. This information shall be documented on a Certificate of Veterinary Inspection, a VS Form 9-2 (see 2 CSR 30-8.020) or similar certificate which shall accompany the poultry to exhibition and shall be made available on request.

Exhibition Requirements for Rabbits in Missouri

1. Intrastate (Missouri origin miscellaneous animals moving for exhibition).
 - a. Miscellaneous animals must be free of clinical signs of any infectious or contagious disease.
2. Interstate (miscellaneous animals entering Missouri for exhibition only).
 - a. All miscellaneous animals must be free of clinical signs of any infectious or contagious disease.
 - b. A Certificate of Veterinary Inspection is required showing an individual listing of the common name(s) of the animal(s) and appropriate descriptions of the animal(s) such as sex, age, weight, coloration, and must be individually identified as defined in Title 9, Code of Federal Regulations, Part 71... or any other means approved by the state veterinarian.
 - c. Exhibition and importation of wildlife into Missouri is regulated by the Missouri Wildlife Code 3 CSR 10-9. Exhibition and importation into Missouri of certain wildlife species is prohibited or may require a permit.

Junior Market Livestock Show Rules & Regulations

	Minimum* at Fair Weigh-In (lbs)	Minimum* Market Ready Weight	Maximum* at Fair Weigh-In (lbs)
Steer	1000	1000	1600
Hog	230	230	350
Lamb	95	105	160
Goat	60	70	120
Rabbit	3.0	-	5.5
Chicken	5 Weeks Old	-	7 Weeks Old

MONTGOMERY COUNTY FAIR - ANIMAL CARE COMMITTEE POLICY STATEMENT

The Montgomery County Fair is the showplace for animal agriculture for the county. All animals and livestock shown, housed, or displayed shall receive care that is humane, healthful and consistent with accepted practices. Cruelty, neglect, or indifference to animal comfort will not be tolerated and will constitute grounds for removal from the premises. Animal care shall be consistent with sound husbandry practices and with the rules and regulations set by the Montgomery County Fair Board. Professional veterinary care will be provided as needed. Exhibits shall reflect the care and concern that Montgomery County residents have for livestock.

*Minimum represents the minimum weight or age allowed to be qualified to show or sell. The minimum market ready weight is weight that will be used for scoring by the MO Extension when placing. The maximum represents the maximum amount you will be paid out for at sale. (Example, a 375 lb. hog sold, will only be paid (from Buyer & Fair) for 350 lbs.)

- 1. ONLINE REGISTRATION IS REQUIRED** at <https://mocofair.fairentry.com> from June 1 (6:00AM) - June 31 (11:59PM). Credit card payments will be accepted and preferred or you mail a check, but it must also be postmarked by July 1st. Entries postmarked after July 1 will not be accepted.
2. All entries are to be made with the distinct understanding that in no event will the Montgomery County Fair become responsible for any loss or damage that may occur to any animal.
3. All exhibitors will adhere to the rules and regulations laid out in this document.
4. Montgomery County Fair rules prohibit any individual from showing and/or selling at more than one county fair.
5. Fees: \$15 Registration Fee for Rabbits & Poultry, \$25 Registration fee for Steer, Hog, Goat or Lamb. These fees will be paid in advance during registration and include registration & processing fees, tag expense and ultrasound fee. Photo fees will be \$10 and deducted from your check.
6. The Junior Market Show and Sale (all species) will be open to any in-county resident who are a member of a Montgomery County 4-H Club and registered in the appropriate 4-H project or Montgomery, Hermann or Wellsville FFA's; starting at age 8 and their final chance to show will be the summer immediately following their senior year in high school.
7. All animals must be owned & shown by exhibitor and must have been fed, cared for and developed by said exhibitor since initial weigh-in.
8. Exhibitor must be capable of checking-in, showing and selling their own animal. If an exhibitor has special needs, please contact the fair to discuss.
9. All Junior Market Livestock Exhibitors & Open Show Exhibitors must pay regular gate admission (or a season pass, if purchased).
 - a. Livestock vehicle passes are required for exhibitors to drive onto the fairgrounds to unload and load animals except on Monday. **Only ONE pass per FAMILY will be allotted. ONLY Steer, Hog, Lamb and Goat exhibitors will receive one. See page 48-49 for new regulations about parking.**
 - b. You must have your vehicle pass and a ticket for each passenger every time you enter or re-enter the fairgrounds. Vehicle passes are only honored at the livestock gate and **there is a designated parking area for livestock exhibitors starting 2026.**
10. All livestock trailers must be in designated trailer area while loading & unloading. **No long-term parking will be available.**
11. Weigh-in will be held at 4:00 pm on Monday; all exhibitors and animals must be present in order to qualify for Market Show.
 - a. There will be a **MANDATORY** meeting prior to the start of weigh-in at 4pm in the Livestock Area for **ALL EXHIBITORS.**
 - b. Watch MCF Facebook groups for announcement of large animal drop-off / CVI Check on Monday. Fair must have proof of CVI before unloading any animals.
 - c. The Rabbit / Poultry barn will open at 8:00a.m. to bring animals in, with the understanding they are your responsibility, and the barn will not have oversight until Tuesday morning.
 - d. Pens will be marked in ALL barns. No switching of pens will be allowed unless prior approval has been given by Livestock chairperson.
 - e. No animals are allowed to be penned unless shown. Animals disqualified from showing in the market show, but will exhibit in the open shows, may be allowed to stay until the Open Show with permission from Livestock chairperson.
12. At the time of weigh-in all animals must possess the proper ear tag or tattoo assigned at the initial weigh-in or re-tagging day.
13. All species will be separated into classes based on official weight at weigh-in.
14. Exhibitors are responsible for feeding, watering and keeping animal pens and barn area clean at all times. **If you are not taking care of your animal and it is reported to a Fair Board member or Livestock chairperson, we reserve the right to disqualify exhibitor at any time.**
15. Equipment and feed may not be stored inside; all equipment must be in proper mechanical working conditions.
16. Any animal showing signs of disease or illness including but not limited to warts, ringworm, open sores, fungus or foot rot, will be sent home immediately and not allowed to show.
17. If an animal gets away from an exhibitor a maximum of two times during the fair, the exhibitor will not be allowed to show or sell and will be asked to take the animal home due to the safety of all exhibitors and patrons of the fair.
18. An exhibitor may show one animal in each species, however only one species may be sold at the auction.
 - a. Exhibitor must inform the Fair Office or Livestock committee member no later than 30 minutes following their final show, which animal is to be sold at the auction.
19. If the exhibitor is showing more than one species and earns Grand or Reserve Champion, their Grand or Reserve Grand Champion animal must be the species sold at auction. If they earn Grand or Reserve in multiple species, they must choose one species to sell. They may not sell both species
 - a. ALL Grand and Reserve animals must stay on fairgrounds until released (see rule 25), even if not selling.
20. Pictures: All Exhibitors and the animal which they sold will have their pictures taken immediately following the sale of their animal. It will be the exhibitors responsibility to get pictures to their buyers in a timely fashion. Pictures will be made available online for download. You may download and print as many copies as you need.
21. Animals not being sold at auction or showing in the Open Shows must be removed from the Fairgrounds by Thursday at 8:00 a.m. See page 35 for release schedule of animals following the sale.
22. All awards will be presented prior to the Junior Market Livestock Auction during an awards ceremony on Thursday at 5:30 p.m.
23. Sale order at the Auction will be based on overall placings for Steer, Hog, Lamb and Goat. Rabbits and Chickens will be placed based on a random draw of all 1st place followed by a random draw of all 2nd places in each class and then a random draw for remaining exhibitors.
24. Exhibitor/seller is responsible for getting animal to buyer or buyer selected processing facility; failure to do so will result in forfeiture of premium.
25. Grand and Reserve Grand Champion animals of each species will remain at the fair all week. The animal remains the sole responsibility of the exhibitor. These animals will be released on Saturday, July 25 at 8:00pm. It is the responsibility of the exhibitor and/or buyer to arrange transportation of the animal to chosen destination.
26. No premium or auction proceeds will be paid to any Junior Market Livestock Exhibitor until AFTER:
 - a. All pens have been cleaned/waste removed and picked up from the livestock building.
 - b. Approval by livestock office that exhibitor completed 3-hour Work shift and Service Shift & turned in their Parking Pass to the Fair Office.
 - c. ALL checks will be available for pickup beginning the TUESDAY following fair at Service & Supply Coop in New Florence or will be mailed 14 days after.
27. The Montgomery County Fair Society will retain a 5% commission, to be added to the livestock fund, from the exhibitor's auction funds.
28. All checks issued by the Montgomery County Fair Society, Inc. will be VOID after 60 days.

Livestock Award Information

Showmanship Awards

All Montgomery County Junior Market Livestock exhibitors are eligible to compete in this class. Class winners will receive a banner and a special award during the awards ceremony. The Montgomery County Fair reserves the right to divide classes into subclasses based on the number of participants.

Swine, Steer, Lamb, & Goat Exhibitors

Senior Showmanship - Ages 15 & Over

Intermediate Showmanship - Ages 12 to 14

Junior Showmanship - Ages 8 to 11

Age Divisions may be changed based on entries

Rabbit & Poultry Exhibitors

Senior Showmanship - Ages 15 & Over

Intermediate Showmanship - Ages 12 to 14

Junior Showmanship - Ages 8 to 11

Age Divisions may be changed based on entries

Herdsmanship Awards

This award recognizes Junior Market Livestock exhibitors who demonstrate exceptional animal care and herdsmanship at the fair. Judging criteria include, but are not limited to, maintaining a clean pen, helping fellow exhibitors, and presenting animals in a professional and impressive manner. Winners for each species will be selected by the livestock committee and announced during the Awards Ceremony.

Average Daily Gain Awards

All Market Steers, Swine, Lamb, and Goats will participate in the Rate of Gain class. Rate of Gain will be calculated using weights from the initial weigh-in and the official fair weigh-in.

Initial Weigh-In Dates

Steers - February 21, 2026

Swine - March 21, 2026

Lamb & Goats - April 25, 2026

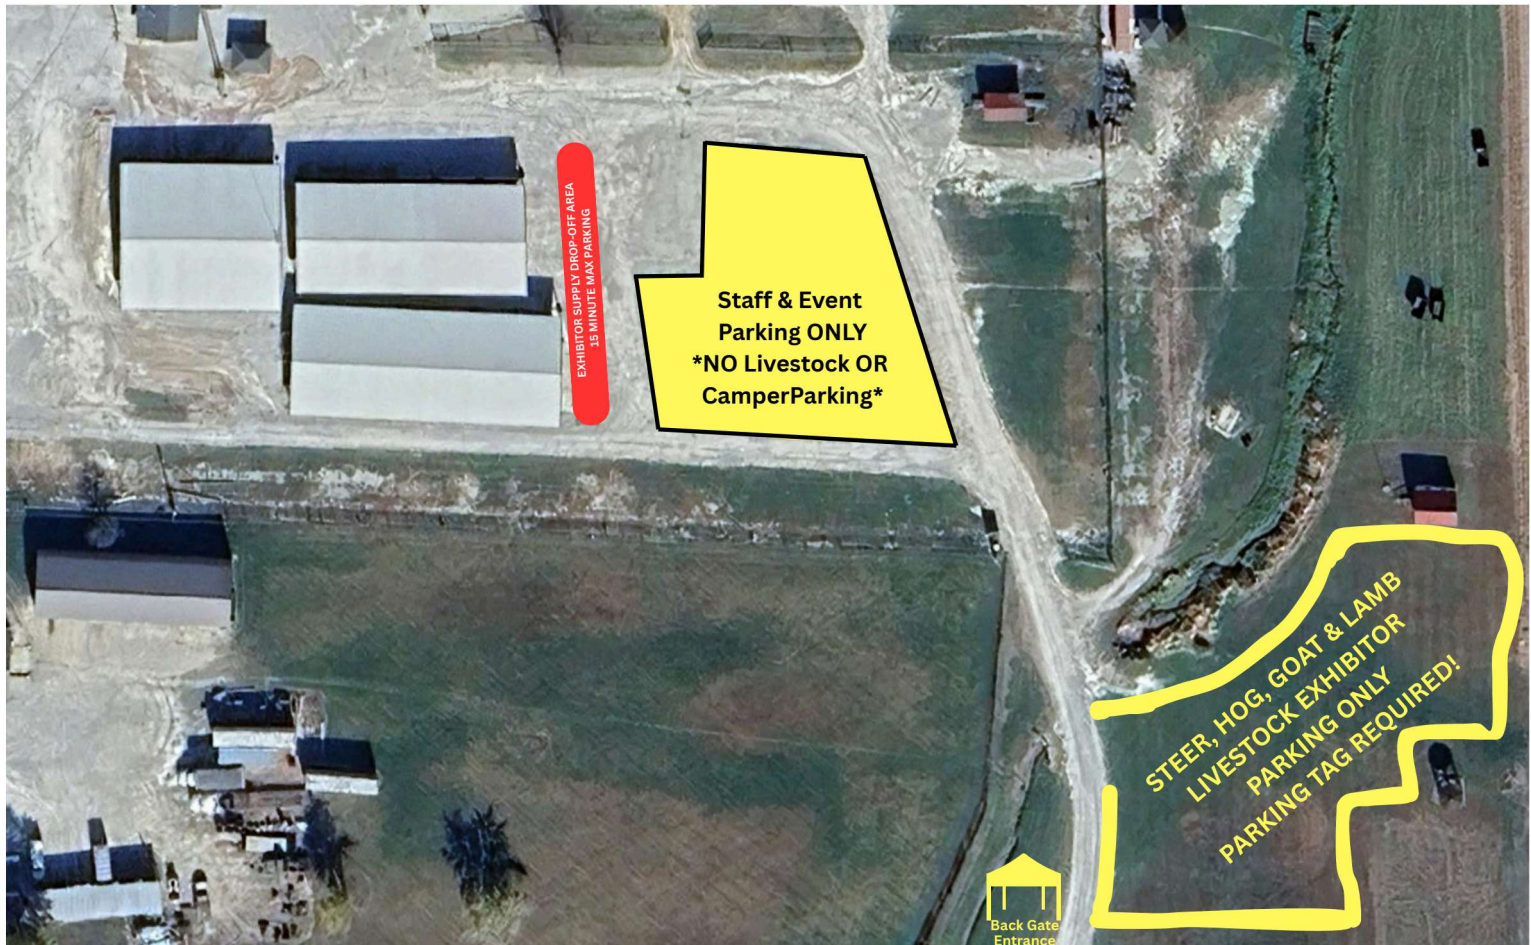

The tag numbers assigned to each animal at the initial weigh-in will be the identification for the animal throughout the contest.

The overall winner of each species will receive an award during the awards ceremony.

On-Hoof and Ultrasound Evaluation Awards

Montgomery County Junior Market Livestock exhibitors of Swine, Steer, Lamb, and Goats are automatically entered into this class of awards. The overall winner of each species will be given an award during the awards Ceremony.

2026 Fair Exhibitor Parking Map

Please see the Parking Rules & Regulations on the next page for all exhibitors and campers. Due to the increasing number of exhibitors, limited space, and insurance requirements, extensive changes have been made to exhibitor parking this year. We appreciate your understanding and cooperation.

2026 Fair: Exhibitor Parking Rules & Guidelines

To help accommodate our growing number of exhibitors and ensure a safe and organized fair experience, the following parking rules will be in effect:

Camper Parking

- Only ONE (1) vehicle per camper is permitted.
- All vehicles must be parked within your designated camping area.
- Vehicles may NOT extend into the camper road lane along the buildings.
- Any vehicle not in compliance will be asked to relocate to the designated livestock parking area.

Large Animal Livestock Exhibitors (Steer, Hog, Goat, Lamb)

- Exhibitors with a valid Livestock Parking Permit (ONE per family) may:
 - Enter the grounds to unload supplies only.
 - Remain parked for a maximum of 15 minutes during unloading.
- Parking in the “island” behind the barns is no longer permitted.
- After unloading, permitted vehicles must move to the newly designated parking area inside the back gate.
 - Permit must be clearly displayed at all times in this area.

Livestock Trailers

- ALL livestock trailers must be removed from the grounds and parking areas.
- There is NO long-term trailer parking available at the fairgrounds.
- Trailers are only permitted on-site for:
 - Loading and unloading
 - Weigh-in
 - Open shows

Rabbit & Poultry Exhibitors

- Parking procedures will remain unchanged.
- Exhibitors must park in general parking areas.

We appreciate your cooperation in helping us keep the fair safe, accessible, and enjoyable for everyone!

Market Hogs

1. Hogs must weigh no more than 60 lbs. at the initial weigh-in.
2. Exhibitors may weigh up to two hogs but may only exhibit one.
3. All hogs must be a gilt or barrow (male hogs must be castrated).
4. An On-Hoof Champion will be selected during the live show.
5. Final placings are based on: Live Placing (On-Hoof): 40%, Sonogram: 30%, Average Daily Gain: 30%
6. All 4-H members must be enrolled in the appropriate project to show or sell swine.
7. Exhibitors must have CVI (Certificate of Veterinary Inspection) papers before arriving or obtain one through the fair's drive-through process.

Market Steers

1. Steers must be calved after January 1st of the previous year. Exhibitors may weigh up to two Steer initially but can only exhibit one.
2. There must be no visible sign of testicles in the steer.
3. The animal must show no signs of warts or ringworm.
4. There will be an On-Hoof Champion named during the live show.
5. The Overall Placings will be based on 40% - Live Placing and 60% - Carcass Value Score.
6. All 4-H members must be registered in the appropriate project to show / sell steer.
7. Exhibitors must have CVI (Certificate of Veterinary Inspection) papers before arriving or obtain one through the fair's drive-through process.

Market Lamb

1. There is no date of birth requirement for Market Lambs. Exhibitors may weigh up to two lambs initially but can only exhibit one.
2. All Lamb shown must be a weather or ewe (male Lamb must be castrated).
3. There will be an On-Hoof Champion named during the live show.
4. The Overall Placings will be based on 40% - Live Placing and 60% - Carcass Value Score.
5. All 4-H members must be registered in the appropriate project to show / sell lambs.
6. Exhibitors must have CVI (Certificate of Veterinary Inspection) papers before arriving or obtain one through the fair's drive-through process. All Lambs must also have a USDA Scrapie Tag.

Junior Livestock Schedule & Class Specific Guidelines

Market Goats

1. There is no date of birth requirement for Market Goats. Exhibitors may weigh up to two goats initially but can only exhibit one.
2. All Goats shown must be a weather or doe (male goats must be castrated).
3. There will be an On-Hoof Champion named during the live show.
4. The Overall Placings will be based on 40% - Live Placing and 60% - Carcass Value Score.
5. All 4-H members must be registered in the appropriate project to show / sell goats.
6. Exhibitors must have CVI (Certificate of Veterinary Inspection) papers before arriving or obtain one through the fair's drive-through process. All Lambs must also have a USDA Scrapie Tag.

Market Poultry

1. Each pen will be comprised of 3 fryers of a Cornish X Breed.
2. Each bird must be 4 to 6 weeks old.
3. Shavings must be used in each pen and changed daily.
4. The pen must be free of all external parasites.
