

Montgomery County Fair Parade 2026

Chairman: Justin Talley

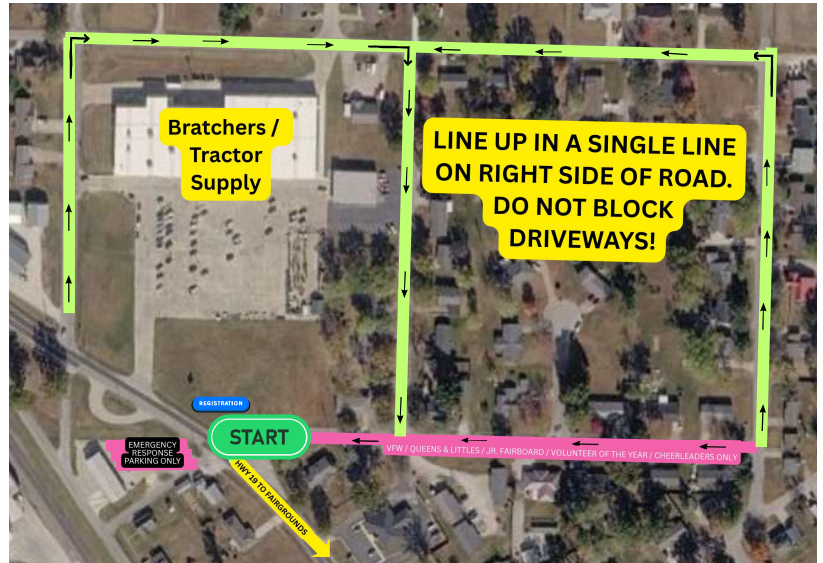

No Pre-Registration Required! All are invited to participate!

REMINDERS (due to Insurance reasons)

Candy must be handed out during parade and not thrown from floats, cars, etc.

No ATV's are allowed on Fairgrounds property. Please exit the parade before entering the Fairgrounds.

For safety reasons, it is crucial that all vehicles, floats, and participants in the parade DO NOT STOP on the fairgrounds to unload. Please drive straight through the grounds and exit through the back gate, where unloading is permitted in that parking lot. DO NOT BLOCK THE EXIT LINE.

For floats that wish to be judged, turn in your registration forms and pick up your parade tag/number at the registration desk located near Bratcher's Market Parking lot starting at 4:00 p.m. **Any entry numbers not picked up by 5:00pm on Parade Day will not be judged.** Floats will be awarded a 1st, 2nd, or 3rd place cash prize prior to the start of the parade. Judging is based on originality and authenticity representing the fair theme - "Stars, Stripes & Summer Nights". Parade starts at 6:00 p.m.

See map for lineup directions. **Pearl Street will be closed to all traffic.** If you need to meet your parade float, please park in the adjacent parking lots and walk to the float.
