DIAPER DERBY

Immediately Following the Baby Show

1. All babies must be in the crawling stage, but not over 1 year old.
2. If a baby does walk, he or she is disqualified.
3. All babies must be in diaper attire, cloth or disposable.
4. Contestants must register at registration table **PRIOR to the beginning of the Baby Show.**
5. No more than five babies will compete at a time.
6. The babies will be lined up in a straight line on carpet with lines to mark the lane for each child. Parents will be lined up directly in front of them. Parents may not touch/move baby to gain advantage. They may, however, re-direct if the child crosses into another lane. Once started, the babies will have three minutes to crawl from their position to the finish line.
7. Parents will be allowed to use verbal persuasion, toys, food, etc., to lure their child.
8. If none of the babies reach their parent within the three minutes time limit, the baby closest to their parents will win.
9. The winners of each heat will then compete for the "Diaper Derby Baby" title in the final heat.
10. The decision of the judges will be final.
11. All contestants will receive ribbons courtesy of the Montgomery County Fair Society.
