The Farm Crops Educational Display is to show how crop production in Montgomery relates to its citizens. The display would be an attempt to educate people on (but not limited to) the value of crop production, Crop by-products, methods of production practices (how and why they are done in such a manner) types of crops and their uses, requirements of production, how they all fit into the economy in this country. It is not to be used for advertising. The display is to be four feet deep, wide & high. Displays will be taken down Sunday following the close of the Fair (11:00 a.m. - 12:00 p.m.)

This Competition is open to all not-for-profit organizations in Montgomery County, such as FFA Chapters, 4-H Clubs, Extension Clubs, Soil & Water District, etc..
