## MONTGOMERY COUNTY FAIR - ANIMAL CARE COMMITTEE POLICY STATEMENT

*The Montgomery County Fair is the showplace for animal agriculture for the county. All animals and livestock shown, housed, or displayed shall receive care that is humane, healthful and consistent with accepted practices. Cruelty, neglect or indifference to animal comfort will not be tolerated and will constitute grounds for removal from the premises. Animal care shall be consistent with sound husbandry practices and with the rules and regulations set by the Montgomery County Fair Board. Professional veterinary care will be provided as needed. Animals experiencing illness, injury or discomfort will be professionally attended only by a licensed veterinarian. Exhibits shall reflect the care and concern that Montgomery County residents have for livestock and companion animals.*

## LIVESTOCK HEALTH REGULATIONS

### Interpretations, Amendments And Violations

The Montgomery County Fair Association reserves the final and absolute right to interpret these rules and regulations, settle and determine all matters, questions and differences in regard thereto, otherwise arising out of, connected with or incident to the fair. The management reserves the right to amend or add to these rules, with previous notice, as it, in its judgment, may deem advisable. Any person who violates any of the foregoing or special rules will forfeit all privileges and premiums.

### I. Certificate Of Veterinary Inspection and General Requirements

- a) All animals must have a certificate of veterinary inspection unless specifically exempt. The certificate of veterinary inspection must include required tests, vaccinations, etc., individual identification and description of animals. Certificate of veterinary inspection are valid for thirty (30) days. Some species require an entry permit; please check under the specific requirements by species for details.
- b) Animals with ringworm lesions or easily visible warts will not be allowed to be exhibited and must be immediately removed from community holding areas and stalls since these are contagious conditions.
- c) Sales scheduled in association with exhibitions must employ a veterinarian to examine animals and process certificate of veterinary inspection for change of ownership. The following requirements are for animals EXHIBITED in Missouri. Animals sold in addition to being exhibited must meet the entry requirements of Missouri or any other state of destination.
